

Abstract. Edition of the *Treaty of Moral Philosophy or Ethics* issued by Friar Anastasio Mariano Suárez OFM in the Recollect Convent of Buenos Aires, in 1793, from Ms preserved in the ancient Library of the Convent of Santo Domingo de Buenos Aires. It consists of six issues: 1. The natural law, its precepts and if God can it dispense; 2. The waiver; 3. If the secular law is binding in conscience; 4. If there are purely criminal laws; 5. If the domain is acquired by prescription in consciousness; 6. If the consent of people for the legal obligation in conscience is required.
