

Abstract. Edition of the First Disputation of Major Logic, on the first operation of the intellect, questions 1 to 5, of the Course of Logic dictated by fray Anastasio Mariano Suárez OFM in the Convent Recoleta of Buenos Aires, in 1793, from the Ms conserved in the Old library of the Convent of Santo Domingo of Buenos Aires. The five questions are: 1. What is the origin of ideas; 2. If the intellect conceives purely intellectual ideas in any way dependent on sensible things; 3. If we have innate ideas in Cartesian sense; 4. If the intellect has idea of nothingness and negative things and in what way; 5. What to say about the archetypal idea of Malebranche.
